

Sol Dog Lodge and Training Center

Join In Our Success!

We love dogs. We love our customers. We are succeeding because of you. You, our customers are a part of our success. And want you to be a part of the **Sol Dog Lodge** legacy to continue in Marana next year.

We at **Sol Dog Lodge** have always believed deeply in the bond between people and dogs and have made it our mission to support that bond. Our programs and services are designed to fulfill that mission, in part by keeping dogs in their homes with loving families, keeping dogs out of shelters, training dogs and their humans, and providing education to the entire community. With the new **Sol Dog Lodge**, we will have more space for boarding, more space for training and more programs to support you.

BE PART OF OUR SUCCESS: DONATE TO OUR YEAR END FUND-RAISING CAMPAIGN

We often get somewhat anxious calls from dog parents for training services "I don't want to give up my dog but something has happened."

A dog in a loving home began to exhibit unacceptable behaviors. Enter Team **Sol Dog Lodge** to conduct a behavioral consultation and assessment and then to work with Daisy and her owner to overcome undesirable conduct. The dog/human bond was successfully reinforced to keep Daisy and her human living happily together.

For **Hearts at Ease**, our respite program, we were there for Chance:

There was Hurricane Dorian last August. We got a call from a local first responder who needed to deploy STAT to assist victims in the Bahamas. He needed to ensure his beloved dog, Chance, would be somewhere safe while he was gone. We were there for both this awesome dog and for his tenderhearted human.

In each case we were able to safely reunite human and dog. Your donation helps happily reunite a Daisy, or a Chance when a family emergency arises.

Our Goal is to Raise \$175,000 by the end of 2019

This amount has already been generously donated by two family foundations. They have both asked that we match their generosity and start construction

Groundbreaking is planned for early 2020 with a Grand Opening end of year 2020

Contribute to our current Capital Campaign

In 2019, we raised the funds to buy 4+ acres of prime land in Marana. We'll be able to dramatically expand our services for dogs and people.

For the dogs, the campus will provide a full-service veterinary suite for low-cost medical, dental, and spay/neuter care, boarding, specialized training, grooming, and Dog DayCamp. On the new campus we'll be able to provide more services for you, our customers.

Our people-focused programs will include **Hearts at Ease**, providing respite care for dogs when their human family has a temporary crisis, and **Heartfelt Hounds**, the training and placement of service, therapy, and emotional support dogs to veterans and people with disabilities.

We want you to be a part of the future Sol Dog Lodge

Purchase a custom donor tile or bench made by Tucson's Santa Theresa Tile Works

DONOR TILES

Donor Tiles will be permanently affixed on the Donor Wall at our main entrance while Donor Benches will be placed throughout the grounds and can be fully designed by you. Tiles are customized with donor names.

Medium & Large Tiles: \$250 & \$500 donations

Benches: \$2,000 donations

NAMING PLACEMENT THROUGHOUT SOL DOG LODGE CAMPUS

Your family, foundation, or business name can be displayed on buildings and many areas inside and outside on the campus. Unique placements can still be realized: You and your dog can be honored for a **\$10,000** donation with a customized art panel by renowned artist, Courtney Kelly, or the Indoor Atrium/Park can boast your name for **\$20,000**.

Show your support for all dogs and the people who love them with highly visible signage throughout **Sol Dog Lodge**.

Sol Dog Lodge is a 501c3 non-profit tax exempt #82-5462848
