

Current Exclusive Naming Opportunities

Ranging from \$300 to \$200,000, you can include your loved one, your dog, or your organization in the future Sol Dog Lodge. Your name, your pet's name or image can be part of a customized art panel by Tucson's local artist, Courtney Kelly. You'll have your family legacy displayed for years to come.

Purchasing these naming areas give you and your organization the opportunity to honor and memorialize to show your support of all dogs and the people who love them.
